(1) The applicant is a resident of Indiana, as defined by the commission.

(2) The applicant:

(A) has successfully completed the program of instruction at an approved secondary school;

(B) has been granted a:

(i) high school equivalency certificate before July 1, 1995; or

(4) The applicant will use the award initially at that approved postsecondary educational institution.

(5) If the student is already enrolled in an approved postsecondary educational institution, the applicant must be a full-time student and be making satisfactory progress, as determined by the commission, toward a first baccalaureate degree.

(b) This subsection applies to an individual who:

(1) meets the requirements set forth in subsection (a); and

(2) before the date that eligibility is determined by the commission, has been placed by or with the consent of the department of child services, by a court order, or by a licensed child placing agency in:

(A) a foster family home;

(B) the home of a relative or other unlicensed caretaker;

(C) a child caring institution; or

(D) a group home.

The commission shall consider an individual to whom this subsection applies as a full-need student under the commission's rules when determining the eligibility of the individual to receive financial aid administered by the commission under this chapter.
